

MICAH ROBINSON

WEB DEVELOPER

BACKGROUND

My focuses are in Front-End Web Development and Design. I work in HTML5, CSS, Vanilla JS, jQuery, Framework7, ReactJS, and PHP on a daily basis developing and designing interactive kiosks and eCommerce WordPress websites. I love to help companies make the most usable customer-facing products and mobile-first websites.

PROFESSIONAL EXPERIENCES

2017 - Present

BEDROOMS & MORE

Web Developer & E-Commerce

Front-end and back-end development for local Seattle company's WooCommerce store, developing from scratch web-based interactive kiosks for navigation and digital pricing.

2016 - 2017

ORANGE COUNTY GOVERNMENT

Communications Web Consultant

Front-end and development on the Orange County Mayor's Communications Team, selected to stay on-site and post news releases during Hurricane Matthew, and work with team to redesign the OCFL News app for iOS and Android.

2015 - 2016

ORANGE COUNTY GOVERNMENT

Student Intern

Work in government DNN CMS, collaborate with many Orange County departments to update website content, train new interns, scheduling, aid in redesign of internal government website, and minor computer graphic updates.

2013 - Present

FREELANCE

Graphic Designer

Edit media and content on WordPress and other web content management systems. Optimize product photos for client's website, remove backgrounds, and brand the images. Increase website visibility with search engine optimization.

EDUCATION

2014 - 2017

UNIVERSITY OF CENTRAL FLORIDA

B.F.A. Graphic Design

2013 - 2015

VALENCIA COLLEGE

A.A. General Studies

2010 - 2012

VIRGINIA HIGHLANDS CC

A.A.S. Liberal Arts

SKILLS AND QUALIFICATIONS

Professional experience in web-based coding languages (HTML, CSS, JS/jQuery, PHP) as well as using creative problem-solving, communication, and designing web-based interfaces. Very familiar with WordPress development and manipulating files in Photoshop and Illustrator.
